SFDP1-011-070-21

Brand: SEAFLO

Model: SFDP1-011-070-21

**Application:**

Pressure pumps can be used in :

Yacht / RV/Caravan pressurized water system

Sprayer fixture (Vehicle-mounted sprayer, electric sprayer)

Clean machine, Humidifier, Water purification, Medical apparatus

Food beverage filling & liquid transfer

Any other pressurization system

**Application:**

For irrigators (Vehicle-mounted sprayers, power sprayers)

For cleaning machines, humidifiers, water purification, (Soft) drinks, food liquids.

Additional pressure boosting systems

**Execution:**

2 pump rooms' positive displacement diaphragm pump for smooth and regular fluid displacement.

Maximum pump volume 5.0 l. / Min.

Maximum pump pressure 6.9 bar.

Pump can be pressure or circulation controlled.

For electrically controlled pumps you can choose pump without pressure switch or fluid circulation.

Dry run no problem.

Duty cycle: interrupted. (Pump cycle with different pressure settings may if interrupted)

Duty cycles are considered.

Pump volume	Pump pressure	Volt	No load	Engine charged
4.0 l./min	70/4.8	12 V	1.5 A	2.6 A
